# WEBSITES MADE EASY

Mono Websites make it easy to offer truly professional and affordable websites as part of your digital offering portfolio for your small- and medium-sized business (SMB) clients.

## WEBSITES ARE ESSENTIAL

Websites are a crucial hub for authoritative content, brand representation, establishing trust and online engagement. Mono Websites offer unlimited pages, code-free designs, secure hosting on Amazon Web Services (AWS), fully optimized for search and more.

## EFFICIENT PRODUCTION

Build the website of your clients dream at a price point they can afford. Mono's simple what-you-see-is-what-you-get (WYSIWYG) interface and pre-designed content rows make it easy for anyone to build a website, regardless of their technical skill level.

## READY, SET, SELL!

Vendasta's curated marketplace of digital offerings makes it fast and easy to get started with selling Mono Websites, without set up fees. What's more, Mono's marketing and sales resources are easily accessible in the Vendasta Partner Center to help you win over new customers.

## FULFILLED OFFERING

Need help? Take advantage of Vendasta's White Label Marketing Services and quick turnaround times, and let them build Mono Websites for you. This allows you to focus on selling websites and customer service, yet continue to expand your portfolio.
