

THE PERFECT PARTNER SOLUTION FOR TARGETING US HISPANIC SMBS

Up to 75% of US Hispanic SMBs don't have a website.

77% of SMBs feel they lack the time or knowledge to manage digital media.

90% of self-employed US Hispanics don't have a website.

Mono and boxx.io have teamed up to help you reach US-Hispanic owned SMBs, a segment that is currently experiencing intense growth, but is lacking an online presence.

Mono provides a robust, white-label online presence platform for the production of professional websites at scale. Designed to support multiple languages, the Mono platform makes it easy to create and manage a bi-lingual English-Spanish website.

boxx.io services is the leading Software With A Service (SWAS) provider of white-label DIFM Local Marketing solutions for the Latin American and US-Hispanic SMB market. To date it has delivered more than 47 million leads through more than 150,000 SMB websites in the Americas. Fully-trained in the Mono platform, boxx.io services is the ideal go-to-market SWAS partner with experience in turnkey sales and fulfillment in Spanish for US-Hispanic SMBs at scale.
